Gracious Professional

This award is given to the team that demonstrates the greatest amount of Gracious Professionalism. With Gracious Professionalism, fierce competition and mutual gain are not separate notions. Gracious professionals learn and compete like crazy, but treat one another with respect and kindness in the process. This is the highest award a team may receive at this competition.

Team Spirit

This award celebrates the team with infectious team spirit and enthusiasm. They show their spirit through costumes and fun outfits, a team cheer, or outstanding spirit.

Engineering Outreach

This award is given to the team that provides the greatest assistance to other teams at the tournament. This team not only helps other teams but strives to make them more competitive whether through programming or mechanical assistance, or general strategy and execution on the playing field.
